11. [] LIAISON The Director called and advised me of a call he had received from Chairman George H. Mahon (D., Texas), House Appropriations Committee, in which he noted with some concern remarks made by Representative Edward I. Koch (D., N. Y.), during the debate yesterday on the Ciaimo amendment (for an open intelligence budget) to the Defense Appropriations bill. More importantly, the Chairman asked the Director if we could give him a list of the most serious allegations that have been made against the Agency and responses to those allegations in a question and answer format. I told the Director we would prepare such a paper.

14. [] LEGISLATION Doug Lea, Counsel, Senate Judiciary Subcommittee on Constitutional Rights, called and asked if I would come down in the next few days to discuss with him and other staff people the Agency's problems with pending criminal justice information legislation. We arranged for a meeting on Monday, October 6. He also asked if he could obtain several more copies of Where's What. He asked finally if the Agency had decided on whether to provide a witness to the hearings on the electronic surveillance technology being held by Senator John Tunney (D., Calif.). I told him that our position was the same as it had been when he had talked to [] several months ago.
